

REGIONAL TASTING MENUS

SEPT 2023

Regional Tasting Menu Experiences are Back! We are focusing on 3 regions; each representing the ethnicity and flavors of that region; ***Ambli-style***.

The Tasting Menus are 6 Tastings for \$68/pp or \$138/couple
(not including tax and 22% automatic Service charge)

September will feature Thailand, the Middle East and Latin America.

This is still a shared table experience and each table will select 1 region.

*[*We will not be able to accommodate any food allergies or substitutions]*

If you are not interested in a Regional Tasting Experience and want to have a more casual dining experience, we have an abbreviated A La Carte Dinner menu.
