

# *WELCOME to Ambli Global Cuisine*

Wine has so much history and romance; dating back to BC. It's such an integral part of the Dining experience.

We have taken our time to select wines that truly complement our food and are also simply enjoyable. We are working to expand our list and our goal is to have a robust program by mid-Summer.

We would love your feedback. If there are certain varietals that you would like to see, we would like to know.

*Thanks for all of your support!*
