

AROUND THE WORLD

MAY 2022

Starting May 10, Ambli's Dining room will be offering **Regional Tasting Menu Experiences**. We will be focusing on 3 regions; each representing the ethnicity and flavors of that region; **Ambli-style**.

The Tasting Menus are 8 Courses for \$75/pp
(not including tax and 22% automatic gratuity)

May will feature Italy, Asia and the Mediterranean.

This is still a shared table experience like we have always offered.

If you are not interested in a Regional Tasting Experience and want to have a more casual dining experience, we have an abbreviated Dinner menu.
